

Ashbeach Governor Newsletter

March 2023

Dear Parents/Carers and Staff

Goodness where does the time go! Easter is almost upon us, let us hope the weather starts behaving like Spring!

The all-weather sports area seems to be popular with the children and along with the new wood provide an interesting outdoor play area for the children during play and lunchtimes. The new quiet reading space for use at play and

lunchtimes seems popular for those who want a few minutes to read.

I have been into school to learn about the new phonics, reading and writing going on and it really seems to be positively impacting on the progress the children are making, which is super, as they missed so much learning time during the covid era!

Thanks to The Friends of Ashbeach for funding lots of new book sets to support the guided reading sessions.

Well done to Sophie Mosley for her half marathon to raise funds for school.

Governors have been meeting each term altogether, and individually they have visited school to review: finance, phonics, reading, writing, safeguarding, SEND, Christmas events, Health and Safety, head/chaïr regular meetings on general daily operation and staff and pupil welfare.

We are looking for several people to join our governing body, so if you are interested or you know someone who is not a parent but is interested do contact school and I will meet them to explain what we do.

Enjoy the Easter holiday!

Best wishes - Stay well
Joan Morters
Chair of Governors
