

# Ashbeach Governor Newsletter

December 2022

Dear Parents/Carers and Staff

I hope you are all surviving this challenging time.

It is perhaps a time where we all can appreciate all those things that do not cost much, enjoying simple things-playing together-chess, draughts, trivial pursuits [always good for increasing general knowledge], card games, etc.

Luckily, we have some super nature reserves locally for long healthy interesting walks. Let's hope the weather continues to be kind.

You can never beat a good book cosied up on the sofa for the rainy days. The library has a huge selection, not just fiction but factual books on any interest.

Maybe do a Secret Santa in the family, instead of everyone buying for everyone!

I think these holiday times are for spending quality time with friends and family-good company and time are the best presents!

The staff have been working hard to support and encourage your children to achieve their potential, I hope their life is simpler now covid restrictions are receding. The governors would like to thank them for their commitment over this challenging time. A special thanks to our super new headteacher, who has been working very hard for the children since September.

Enjoy the Christmas holiday!

Best wishes & Stay well  
Joan Morters  
Chair of Governors
