

Ashbeach Governor Newsletter

December 2024

Dear Parents/Carers and Staff

I hope you are all surviving this challenging time. It is perhaps a time where we can all appreciate all those things that do not cost much, enjoying simple things - playing together - chess, draughts, trivial pursuits (always good for increasing general knowledge), card games, and maybe a challenging jigsaw!

Luckily, we have some super nature reserves locally for long healthy interesting walks. Let's hope the weather is kind the next few months, as I am sure we are all fed up with the rain.

You can never beat a good book cosied up on the sofa for the rainy days. The library has a huge selection, not just fiction but factual books on any interest.

Maybe do a Secret Santa in the family, instead of everyone buying for everyone!

I think holiday times especially are for spending quality time with friends and family - good company and time are the best presents!

The staff have been working hard to support and encourage your children to achieve their potential. The governors would like to thank them for their commitment over this term.

Best wishes - season's greetings
Joan Morters
Chair of Governors
